

INSTRUCTIONS FOR APPLYING SMART COVER™ II PAPERBACK BOOK COVERS

Back Cover

STEP 1 - Remove the narrow strip of liner from the back sheet and position the sheet on the back cover within $\frac{1}{2}$ " of the spine. Press onto the book. Remove the remaining liner and press back cover sheet onto the book.

Front Cover

STEP 2 - Remove liner from the spine flap of the front cover sheet and position the sheet so that the cover area is $\frac{1}{2}$ " from the spine.

STEP 3 - Fold the spine flap around the spine so it overlaps the small strip on the back and press the spine flap onto the book.

STEP 4 - Remove the remaining liner from the front cover sheet and press the sheet onto the book.

STEP 5 - Trim off excess material.
